

Continuing Education

PQA is pleased to offer continuing pharmacy education (CPE) credits for some sessions at the 2020 Annual Meeting. Select sessions will offer contact hours for pharmacists.

PQA is partnering with ProCE, an Accreditation Council for Pharmacy Education (ACPE) accredited provider for the continuing pharmacy education credits.

Please refer to the **CE CREDIT INSTRUCTIONS** listed below for information on obtaining CE. The deadline to submit is July 10, 2020.

CONTINUING EDUCATION CREDIT

The Continuing Pharmacy Education (CPE) activities have been developed through a joint providership of ProCE, Inc. and the Pharmacy Quality Alliance (PQA). ProCE is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education. The release date for these activities is May 13-15, May 28, and June 4, 2020. The conference registration fee covers the cost of CPE credit. Participants must complete an online post-test and evaluation for each session they attend to receive pharmacy CE credit. Proof of completion will be posted in NABP CPE Monitor profiles. All post-tests and evaluations must be completed no later than July 10, 2020. No partial credit will be given for any individual session. The Target Audience for these CPE activities is pharmacists.

FACULTY DISCLOSURE ANNOUNCEMENT

As an ACPE-accredited provider, it is the policy of ProCE, Inc. to ensure balance, independence, objectivity and scientific rigor in all educational activities. A potential for bias may exist if a continuing education faculty member is affiliated with or has a financial interest in any organization(s) that may have a direct interest in the subject matter of the presentation. Situations involving potential bias are not inherently problematic or unethical, but the prospective audience must be made aware of the affiliation or financial interest. It is intended that any potential bias be identified openly so that the audience is provided full disclosure of the facts and may form their own judgments about the continuing education activity content.
